EXCERPT FROM RULES AND ORDERS RELATING TO
PRIVATE BILLS.

RULE 76.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinafore limited, or

for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published.* Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring $10\frac{3}{4}$ inches by $7\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

THE Committee of the Privy Council have had before them a report, dated 15th April, 1924, from the Minister of the Interior, submitting that an application has been made to the Department of the Interior on behalf of the Bucklin Development Company, Limited, for the right to occupy a portion of the South-west Quarter of Section Nineteen in the Fifth Township in the Fourth Range, west of the seventh meridian, in the Railway Belt in the Province of British Columbia, for the purpose of a camp site in connection with extensive lumbering operations of the Company.

The Minister observes that the Company has submitted surveys by a Dominion Land Surveyor showing the area required, namely: Four acres and seven-tenths of an acre, which surveys are shown on a plan dated the fourteenth day of January, nineteen hundred and twenty-one, and of record in the Land Registry Office in the City of New Westminster under number three thousand five hundred and nine, a duplicate whereof is of record in the Department of the Interior, Ottawa, under number thirty-two thousand nine hundred and eighty-seven, a blue print of which is submitted, excepting thereout and therefrom the parcel shown on a plan dated the sixth day of October, nineteen hundred and twenty-three, and of record in the Department of the Interior, Ottawa, under number thirty-two thousand nine hundred and eighty-five, a blue print of which is submitted.

The application of the Company has been favourably reported upon after a careful inspection by agents of the Department of the Interior. It is reported that none of the land is suitable for agricultural purposes and that there is no merchantable timber thereon. The camp site is necessary in the interests of the Company in connection with their extensive lumbering operations.

The Minister, therefore, recommends that he be authorized to issue a lease to the Bucklin Development Company for the land, the lease to be for

a term of ten years at an annual rental of one dollar per acre and subject to renewal for a further term of ten years and subject to cancellation upon six months' notice by the Minister of the Interior, and to be on such terms and conditions as the Department of Justice may consider advisable.

CERTIFIED COPY OF A MINUTE OF A MEETING OF
THE COMMITTEE OF THE PRIVY COUNCIL,
APPROVED BY HIS EXCELLENCY THE GOVERNOR-
GENERAL ON THE 26TH APRIL, 1924.

THE Committee of the Privy Council have had before them a report, dated 15th April, 1924, from the Minister of the Interior, submitting that an application has been made by the Canadian Pacific Railway Company for a renewal of a lease of a portion of the foreshore of Shuswap Lake adjoining the Company's station at Sicamous Junction, in the Twenty-first Township of the Eighth Range, west of the sixth meridian, in the Province of British Columbia.

Under Order in Council P.C. 1015, dated the twenty-seventh day of April, nineteen hundred and twelve, the Company was granted a lease for a term of ten years at an annual rental of ten dollars for foreshore covering the total area of twenty-one acres and three-tenths of an acre, and it is now the desire of the Company to secure a renewal lease of only a portion of this parcel containing ten acres and six-tenths of an acre, which may be more particularly described as follows:—

Firstly: All and singular that portion of the foreshore of Shuswap Lake situate in the North-east Quarter of Section thirty-five in the Twenty-first Township of the Eighth Range, west of the sixth meridian, in the Province of British Columbia, as shown outlined in red on the blue-print attached hereto, and which may be more particularly described as follows: Beginning at the point on the east boundary of the said Section Thirty-five four hundred and seventy feet north of the witness wooden post and stone mound marked fifteen chains north, as the said witness post and stone mound

are shown on a plan of the said township approved and confirmed by E. Deville, Surveyor-General of Dominion Lands, at Ottawa, on the twenty-fifth day of July, one thousand nine hundred and eleven, and of record in the Department of the Interior; thence south seventy degrees west a distance of one thousand one hundred and seventy feet; thence south twenty degrees east a distance of two hundred and forty feet; thence south seventy degrees west a distance of ninety feet; thence south twenty degrees east a distance of sixty feet, more or less, to the point of intersection with low-water mark of Shuswap Lake, being the northerly boundary of the railway right-of-way and station-grounds in the North-east Quarter of Section Thirty-five and the North-west Quarter of Section Thirty-six of the said township, which said railway right-of-way and station-grounds were granted to the Canadian Pacific Railway Company by letters patent dated the thirtieth day of September, one thousand eight hundred and ninety; thence north-easterly following the said low-water mark to its intersection with the east boundary of the said Section Thirty-five; thence northerly following the said east boundary a distance of one hundred and fifty-four feet, more or less, to the point of commencement; all the said bearings being astronomical; the said parcel containing an area of seven acres and nine-tenths of an acre, more or less.

Secondly: All and singular that portion of the foreshore of Shuswap Lake situate in the said North-east Quarter of Section Thirty-five in the said township, as shown coloured green on the blue-print attached hereto, and which may be more particularly described as follows: Beginning at the north-west corner of the said parcel previously described; thence south twenty degrees east a distance of two hundred and forty feet; thence south seventy degrees west a distance of ninety feet; thence north twenty degrees west a distance of two hundred and forty feet; thence north seventy degrees east a distance of ninety feet, more or less, to the point of commencement; all the said bearings being astronomical; the said parcel containing an area of five-tenths of an acre, more or less.

The application has been inspected and approved by engineers of the Department of Public Works.

The Department of Public Works has suggested that a reservation be placed in the lease to the effect that in the easterly ninety feet of Parcel "C," as shown coloured green on the blue-print herewith, the fairway to and from the wharf shall not be obstructed or impeded by the erection or permanent mooring of any structure or boat whatsoever.

The Minister, therefore, recommends that he be authorized to issue a renewal lease to the Canadian Pacific Railway Company for the foreshore lands as described above for a term of ten years at an annual rental of ten dollars and renewable upon mutual agreement between the Minister of the Interior and the Company, and that a clause be inserted in the lease to the effect that fairway to and from the wharf be not obstructed or impeded by the erection or permanent mooring of any struc-

PRESENT:

HIS EXCELLENCY THE GOVERNOR-
GENERAL IN COUNCIL.

HIS Excellency the Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to amend the regulations governing the granting of yearly licences and permits to cut timber on Dominion lands in Manitoba, Saskatchewan, Alberta, within twenty miles of either side of the Canadian Pacific Railway in the Province of British Columbia, and the tract of three and a half million acres controlled by the Government of the Dominion in the Peace River District, in the Province of British Columbia, established by Order in Council of the 26th March, 1924, and the same are hereby amended as follows:—

The following clause is hereby added to section 48 of the said regulations:—

P.C. No. 554.

CERTIFIED COPY OF A MINUTE OF A MEETING OF
THE COMMITTEE OF THE PRIVY COUNCIL,
APPROVED BY HIS EXCELLENCY THE GOVERNOR-
GENERAL, ON THE 8TH APRIL, 1924.

THE Committee of the Privy Council have had before them a report, dated 28th March, 1924, from the Minister of the Interior, submitting that the regulations governing the granting of licences and permits to cut timber on Dominion lands in the Prairie Provinces and in the Railway Belt in the Province of British Columbia, provide that all timber cut must be manufactured within the Dominion of Canada.

Timber Berth No. 55 is located on the International boundary in the Railway Belt, and owing to the physical features of the district, the timber on the southern portion thereof has to be taken out through the State of Washington. The Campbell River Mills, Limited, are operating the portion of the berth referred to, and in February, 1922, were granted permission to take the timber across the boundary line into the State of Washington, where it is loaded on cars and hauled to Bellingham, on the coast, where it is dumped into the water and towed to the Company's mill at White Rock, British Columbia, a distance of twenty-six miles. The timber, with the exception of the cedar, is manufactured at the Company's mill, but as they have not any facilities for the manufacturing of cedar, they are obliged to tow it to either New Westminster or Vancouver, where shingle mills are located, a distance of thirty-five and forty miles, respectively. The Company represent that they have lost a considerable portion of the cedar logs in conveying them to New Westminster and Vancouver, rendering the sale of the logs unprofitable, and they have asked for permission to sell them in the United States.

In view of the fact that the Crown Timber Agent at New Westminster reports that the distance these cedar logs have to be towed and the risk of storms prohibit their being disposed of at a profit in the Province of British Columbia, and that the Company are obliged to haul the timber from the tract being operated through the United States, the Minister recommends that, pending the result of the investigation now being made in connection with the exportation of timber, he be granted authority to issue an interim permit to the Company for six months, authorizing them to sell in the United States the cedar cut on the portion of the berth referred to, subject to dues at \$2.00 per thousand feet B.M. on logs grading No. 1, \$1.50 per thousand feet B.M. on logs grading No. 2, and \$1.00 per thousand feet B.M. on logs grading No. 3, which are in excess of the dues charged on cedar logs which are manufactured in the Province.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.
